

Job placements don't create lasting relationships, *great experiences* do.

Lintex

A V-Soft Consulting Company

V-SOFT[®]
CONSULTING

Delivering IT Talent. Driving Smart Solutions.

Lintex Joins Forces With V-Soft Consulting

We are pleased to announce that Lintex has merged with V-Soft Consulting, an award-winning IT staffing and solutions company with an excellent track record. Trusted to provide a combination of agility, transparency, and accuracy, V-Soft is one of the largest staffing firms in the U.S. We're excited to add new capabilities to the already proven track record Lintex has demonstrated.

This is more than a merger, it's an evolution.

IT Staffing Done Right

Our approach is clear: match the right people with the right opportunity. V-Soft offers a broader reach for talent and around-the-clock recruiting to help your business succeed.

24x7 Recruiting

Job seekers don't stop looking at the end of the work day. Your business requires a dedicated team committed to 24x7 recruiting to ensure no opportunity is missed.

Solutions & Practice Areas

This merger gives Lintex clients direct access to industry leading technology solutions including ServiceNow, MuleSoft, Mobile, Big Data, and innovative enterprise development.

“The merger between V-Soft and Lintex is a strategic decision. Now we can provide our clients with new innovative technologies while still offering the same *dedication and quality services* they have come to expect.”

Jay Mann, Owner, Lintex Global Recruiting

V-Soft Consulting is a trusted business & information technology consulting firm with multiple locations serving North America and India since 1997.
