

# DIVERSITY

V-Soft is a proud certified woman-owned, minority-owned business that takes pride in our diversity. We have been recognized around the country as a top minority-owned company by organizations like the U.S. Department of Commerce and the Minority Business Development Agency. We are dedicated to building and maintaining a workforce that's reflective of the communities we live in and serve.

## Commitment to Diversity

V-Soft's strength is in its people. We thrive on our diverse workforce and are committed to an open, inclusive environment for all employees, suppliers and consultants.

- Engage with local community Urban Leagues
- Develop a multicultural workforce
- Support communities with fundraisers and events
- Participate in multiple diversity councils
- Encourage professional development and training
- Strategic diversity recruiting approach
