

V-Soft's MSP/VMS Staffing Your IT Talent Partner

Diverse Talent Pool

A broad, dependable pool of highly-skilled IT consultants allows V-Soft to rapidly identify business needs and deliver resources that increase ROI. In addition to skill-set alignment, V-Soft prioritizes diversity-inclusive recruiting/supplying, with almost 80% of our talent being minorities and/or veterans.

Proven Approach

Since 1997, V-Soft has been trusted as a strategic partner in MSP staffing models for enterprises across multiple industries. A client-centric approach to sourcing/screening and dedicated account management, means that V-Soft delivers talent that goes beyond basic requirements. Our team is integrated with virtually all leading VMS technology platforms.
