Palace Gate Expands Capabilities Through Merger With V-Soft

We are pleased to announce that Palace Gate has merged with V-Soft Consulting, an award-winning IT staffing and solutions company with an excellent track record. Hosting a proud combination of agility, transparency, and accuracy, V-Soft has been repeatedly rewarded as a Top Fastest-Growing Staffing Firm in America. Even though the name will change, you will continue to receive the same high-quality experience you've come to expect. The only difference is that we're adding new capabilities.

This is more than a merger, it's an evolution.

Our approach is the same: match the right people with the right opportunity. V-Soft offers a broader reach for talent and around-the-clock recruiting to help your business succeed.

Solutions & Practice Areas

This merger with V-Soft adds the ability to provide local businesses with access to the highest quality, focused IT practice solutions at a cost that won't break the bank.

Proven Hybrid Model

Providing onshore/offshore delivery, V-Soft elevates this approach to the next level with real-time accountability and communications. No surprises - only results.
