Case Studies

Company

Telecom/Media Conglomerate

Challenge

Current staffing provider was not exclusively IT, so submitted candidates were lacking necessary technical skills

Solution

Partnering with an IT-dedicated company allowed for a steady flow of qualified candidates

Result

50% decrease in time-to-fill, saving the company an average of \$1,200 per day

Company

Automotive Manufacturing Supplier

Challenge

Lacked internal development team experienced in new tech to update legacy systems in rapid timeframes

Solution

Leveraging a global pool of ready-to-deploy IT consultants to fill the needed positions quickly and effectively

Result

Major migration and upgrades completed below budget and ahead of schedule
